**.....**

**Yes**

**No**

# Homework

The background of the slide is an underwater scene. In the upper left, there are several clear, shimmering bubbles of various sizes. In the upper right, a group of colorful fish is swimming. There are two yellow fish with dark blue markings on their heads, and three blue fish. The water is a vibrant, clear blue with light rays filtering through from above.

**Improve the “role-play” dialogue, share it in the class Wechat group, choose one pair’s work and give your comments.**
